

HARVEY & SONS BREWERY TOUR

for Friends of Lewes

“Unlike many tours of commercial premises, a brewery tour at Harvey’s not simply a walk around with a guide; it is a chance to meet our customers and give them an insight to the heritage of brewing at Harvey’s. The informal sampling session that follows is a catalyst for one to one questions and answers”. Miles Jenner

Friday, July 11th

meet in the riverside yard for 6.30pm start
a nominal charge of £2.50 a head will be made

Chances to do this are limited and the waiting list is usually long.
